

All Year FSC Safe Sport Policies Locker Room Policy

AYFSC is committed to creating a safe and positive environment for members' physical, emotional and social development and ensuring that it promotes an environment free of misconduct. Skaters are vulnerable to misconduct in locker rooms and changing areas due to various stages of dress/undress and because they are often less supervised than at other times. Adherence to a locker room policy enhances privacy and reduces the likelihood of misconduct. Accordingly, all members shall adhere to this locker room policy at all times.

AYFSC Member Locker Room

AYFSC has various locker rooms available for everyday use by all members. The locker rooms should be safe and appropriate environments for ALL members. Members using the locker room should keep in mind that the locker room is for storage and active preparation for skating. The locker room is NOT a lounge or social area. Members wishing to socialize or pass time between sessions should use the public areas of the rink.
