Competition Information

Welcome to the All Year Open!

The All Year Open will be conducted in accordance with the rules and regulations of U.S. Figure Skating, as set forth in the current rulebook, as well as any pertinent updates which have been posted on the U.S. Figure Skating website.

This competition is open to all eligible, restricted, reinstated or readmitted persons as defined by the Eligibility Rules, and is a currently registered member of a U.S. Figure Skating member club, a collegiate club or an individual member in accordance with the current rulebook. Please refer to the current rulebook for non-U.S. Citizens.

SERIES INFORMATION:

This event is part of the **Southern California Inter-Club Invitational Series**. Top point scorers, at the end of the season, will be invited to the Invitational Final. Please see the Southern California Inter-Club Association website at <https://www.socalinterclub.org/scica-invitational-series> for more information.

AGE RESTRICTIONS/ELIGIBILITY/TEST LEVEL:

All competitors must be eligible persons and members in good standing of U.S. Figure Skating by the close of entries. Qualifying tests and ages for all events are as of close of entries Saturday, May 14, 2022.

All levels may skate one level higher than that for which they are qualified, but may not skate more than one level in each discipline, except as specifically noted below. Age restrictions apply as follows:

Age Requirements/Restrictions (ALL ages are as of May 14, 2022):

Singles free skate events (Well Balanced Program) have the following requirements:

- Juvenile: Girls – 12 years of age or younger; Boys – 13 years of age or younger
- Open Juvenile: Girls – 13 years of age or older; Boys – 14 years of age or older
- Intermediate must be under the age of 18
- Adults must be 21 years of age or older

Skaters entering beginner through pre-juvenile events will be divided as closely as possible by age at the discretion of the referee. If necessary, the referee will combine events as needed based on entries.

Pairs events have the following requirements:

- Pre-Juvenile – Under 14 years of age
- Juvenile – Under 16 years of age
- Intermediate – Under 18 years of age

ELIGIBILITY RULES FOR “LEARN TO SKATE USA” / “COMPETE USA” PARTICIPANTS:

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Learn to Skate USA Program and/or are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with a Learn to Skate USA Program or member club.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee discovers that a skater has been placed in a category that is below their class level, the referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

Eligibility will be based on skill level as of closing date of entries. All Snowplow Sam and Basic Skills 1-6 skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances.

For the Pre-Free Skate, Free Skate 1-6, Excel, Well Balanced, and Adult levels eligibility will be based only upon highest free skate test level passed. Moves in the Field test level will not determine skater's competitive level. Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

ENTRIES: Entries must be submitted online via Entryeeze

(<http://comp.entryeeze.com/FindCompetition.aspx> or www.allyearfsc.com and follow link to Entryeeze) by **midnight May 14, 2022**. All Year FSC requires "on-line" entry. Entries received after the

close of entries will be subject to a \$50 late fee and may be accepted at the discretion of the Local Organizing Committee and/or referee. **A \$50 late fee MUST accompany late entries to be considered.** In no case will late entries or changes to entries be accepted **after May 19, 2022**. A credit card processing fee is charged. Processing fees are **not refundable**, even if the event is canceled or skater withdraws before close of entries.

Due to changes and increases in credit card processing fees, American Express is not accepted. We appreciate your understanding regarding this change. Credit Card Disputes: All Year FSC reserves the right to charge an additional fee of \$40.00, in addition to the entry fee to resolve any disputes to the credit card charge. If you have any problems, please contact Helene Krasner (Registrar) for assistance.

REFUND POLICY: Entry fees will not be refunded after May 14, 2022, unless no competition exists or the event is canceled. There will be no refunds for medical withdrawals. The online processing fees are not refundable. Checks returned for non-sufficient funds and contested credit card charges will be issued a \$40 fee. Payment of the fee will be required before the skater is allowed to participate in practice ice or events.

SCHEDULE: Competitors may be scheduled on any day or time for the announced dates of the competition. Notification of competition and practice ice times will be available by email and on Entryeeze and on the AYFSC website links. This will be considered sufficient notification of the scheduled events.

FACILITIES: The competition will be held at the Great Park Ice, 888 Ridge Valley, Irvine, CA 92618. The ice surface of Rink 1 is approximately 85' x 200', slightly rounded at the corners. The ice surface of Rink 2 is approximately 100' x 200', slightly rounded at the corners. The arena has restrooms, snack bar, pro shop and free parking. There are restaurants within driving distance of the arena.

REGISTRATION and MUSIC: A registration desk will be set up in the entrance area of Great Park Ice during the Competition. All skaters are required to register a minimum of 45 minutes prior to the scheduled time for each event or segment.

For the All Year Open, online music submission is the ONLY acceptable method to submit program music. After you have paid for your events, the system will prompt you to upload your music for each event that requires music. If your music is not available at that time, you can logout of your account and return later to upload your music by going to the "Competition" tab and then selecting "My Music." Please be sure you are uploading the correct music for the correct event segment. Be careful, for example, not to mix up your short program and your free skate!

Deadline for uploading is: May 22, 2022

The uploaded program music MUST conform to the following specifications:

- Programs per file: One [1] - Only one piece of competition program music (e.g. short program, free skate, short dance, free dance, etc.) per file is allowed.
- File Format: mp3 - The uploaded file music must be an mp3 file (MPEG-1 or MPEG-2 Audio Layer III). Simply changing the file extension to "mp3" from another file format is not acceptable.
- Bit Rate: 192 kbps is requested (bit rates between 128 and 320 kbps will be accepted).
- Maximum file size: 10 MB
- Maximum run time: Five [5 minutes]
- ID3 Metadata [tags]: None - The Chief Music Coordinator strongly recommends that mp3 files DO NOT contain any ID3 metadata, commonly called tags. This is especially true of any embedded images such as album cover art, picture of the skater, etc. Please, NO EMBEDDED IMAGES!
- Maximum leader: Two [2] seconds] - The leader is the silence between the start of the track and the actual start of the program music. The Chief Music Coordinator recommends that there be NO leader.
- Maximum trailer: Two [2] seconds] - The trailer is the silence between the end of the program music and the end of the actual track. The Chief Music Coordinator recommends that there be NO trailer.

Backup Music at Event [CDs]

In addition to submitting the music online, all competitors/teams must also have at least one [1] backup copy of their competition music on CD, AT RINKSIDE, during the actual competition event or official practice. CDs must meet the following requirements:

- In standard Audio CD format (Compact Disc Digital Audio). Other formats, including mp3 are NOT acceptable.
- Clearly marked with a permanent marker (e.g. Sharpie, do NOT use a label or tape) as follows: First Name, Last Name, Event, Event Segment and Music Length (e.g. Jane Smith, Acme FSC, Novice Ladies, Free Skate, 3:10)
- Each CD may have only ONE [1] music track on it. Any disc with more than one [1] track is NOT acceptable.
- Lead in time (time before the music begins) on CDs may not exceed two [2] seconds.
- Due to the compatibility and reliability reasons, music may NOT be submitted on re-recordable "CD-RW" discs. PLEASE, no CD-RWs!!

The LOC, competition officials, and volunteers exercise reasonable care when handling CDs. However, they are not responsible for damage to or loss of any CDs. The LOC is not responsible for CDs not picked up by the end of the competition. Those CDs will be destroyed.

Penalty for Incorrect Music or Failure to Upload Music

The LOC may assess each competitor/team an additional charge, up to \$10.00 per event segment, if the competitor/team: 1) fails to submit their music prior to the close of online music submission, 2) submits files that do not follow the specifications above, or 3) uploads the incorrect music for a given event segment (e.g. uploads short program music instead of the free skate). In the event the LOC

decides to assess a penalty, the competitor/teams will not receive their credentials at registration until they pay the penalty fee and turn in their music on CD, conforming to the requirements above.

LIABILITY: U.S. Figure Skating, All Year FSC and Great Park Ice accept no responsibility for injury or damage sustained by any participant in this competition. This is in accordance with Rule 1600 of the official U.S. Figure Skating Rulebook.
